About the Northwest Indiana Regional Development Authority

Established in 2005 through a bipartisan effort including former Governor Mitchell E. Daniels, Congressman Peter J. Visclosky, key state legislators, and local elected officials, the RDA is quasi-governmental development entity entrusted to make public investment decisions within a regional framework for supporting catalytic infrastructure projects and inducing private sector investment. Years of successful results have made it a trusted and tested partner for growth in Northwest Indiana. For more information, visit www.rdatransformation.com or www.in.gov/rda
